This music helps us determine which ensemble you will be most successful playing in while at camp. Prepare only the passages you are comfortable with, even if it is only the first one. You might be asked to read an excerpt at sight as well. It is better to play the audition slow and accurate rather than fast and sloppy.

We will be listening to the following in your playing:

- * Tone quality
- * Rhythmic accuracy
- * Note and pitch accuracy
- * Musicality and style
